Healthcare Simulation Essentials: Design and Debriefing

August 22 - 25, 2023

9 a.m. to 5 p.m

About the course

This leadership course in partnership with Boston MA, Center for Medical Simulation (CMS), will be offered for healthcare professionals interested in bringing their simulation expertise to the next level. It allows participants to network with and learn from colleagues, while practicing their skills with some of the most well-known simulation faculty in the world.
